

CSMA Club Motorsports Group Track Day at Bedford Autodrome

Monday April 4th 2011

Regulations

Event timetable

Scrutineering and Signing on	07:30 – 08:15
Welcome/ Briefing	08:30
Track Action begins	09:00
CSMA only 20 minute sessions	One per hour throughout the day
Lunch	13:00 – 14:00
Afternoon Track sessions commence	14:00
Final session finishes	17:00

Track Action

A maximum of 35 places are available for our CSMA only track sessions, so please book early to avoid disappointment. The Entry Fee is £125 per Driver (£135 for non members – space permitting) and this will give you seven 20 minute sessions on the fabulous 4.2 mile GT circuit.

One passenger will be allowed in a participating car, but they must sign on and wear the appropriate wrist band.

As always we shall have experienced Racing instructors available for one-to-one tuition and general advice, but these will have to be booked on the day when signing on. Please note that there may be a small additional charge for this.

Other information

Drivers will have to provide their own **road legal** vehicles for this event

Pre event Scrutineering will be carried out for basic safety requirements on all participating vehicles

Helmets must be worn by all Drivers and Passengers – bring your own if you can but there will be some available 'on loan' throughout the day but a deposit will be required.

Only members signed on and paid as entrants may drive on the track during this event.

Front seat car passengers are allowed but they must be at least 17 years old, be signed on and must attend and fully understand the safety briefings and procedures.

Drivers should possess a **full UK Driving Licence** – this will be checked at signing on.

The event is for fully road legal cars only and all must pass an RAC MSA Sound check, **the limit is 101dB(A)** and will be measured at 0.5 metres and 45 degrees from the exhaust outlet at 75% of maximum revs. **It is the driver's responsibility to ensure that the vehicle is within the sound limits.**

We do hope you can join us for our first CSMA Club event at Bedford, we have chosen it as it is a fairly central location, has good facilities and a challenging but safe layout - with large runoff areas!

If you do have any questions then please contact either Aime or myself and we will be pleased to help you.
