## Your Editor Speaking...

Happy New Year! And welcome to the short January edition of the Sump! I hope you all had a very good Christmas!

Some of you may be aware via the ever-active grapevine that changes are afoot in the world of the **csma**. About the only thing we know for sure is that funding for groups has for the time being been cut to zero - so each group effectively has to be self-supporting. This is the bad news.

The good news is that, following an emergency meeting just before Christmas, the West Middlesex Committee is fully committed to maintaining a **full programme** of group events for 2006. We believe that we can manage this change with few, if any, changes being visible to you, our members.

On the subject of saving money - I would urge you to consider receiving the Sump in electronic form if you are able - paper ones cost about 50p per issue which might not sound a lot, but it soon mounts up! Just drop me an email at:

[jez@jez-nikki.net](mailto:jez@jez-nikki.net).

More good news is that this year we will again be able to run the **Barton Stacey Rally Practice Day** at last! This is sure to prove popular, so be sure to get your entries in quickly!

Plus, as the front page says - it's not too late to enter the New Year Run! Once again we've managed to find some good roads, this time through Hampshire. Why not come out and join us!

Have fun!

*Jez Boakes (Editor)*

csma West Middlesex Group presents:

# The Barton Stacey Rally Practice Day!

## Sunday March 19<sup>th</sup> 2006

After a lapse of more than a year and a half the Army have **finally** given me, and the West Middlesex Group, permission to run this most popular and successful event again!

We'll be following a similar format to previous years and returning to the same Military venue but, with a little volunteer help from some of you, we may have a few newly 'repaired' roads for you to use.

**Places are very limited** and the Entry List is bound to fill up fast once news is out. So be quick and get your entry in **ASAP!**

It will be a full day's motorsport for just **£75** and will be suitable for all road-legal cars. So you can bring along your rally car, your standard shopping car, and just about everything in between.

***Interested but don't want to drive?*** Well, we'll need Marshals, and lots of 'em, on the Sunday!

***Good with a shovel, banging in stakes or trimming trees?*** I'd be VERY grateful if you could help us out too. If you're free for a few hours on Saturday 18<sup>th</sup> March and can support the WMx Group by assisting in setting up the venue, please contact me.

News Items

**Motor Sport in csma** By now most of you will have heard that the finances of **csma** are in a pickle (although no one will tell us why) and that the Groups are going to have to be frugal with what budgets they have left. With this in mind, we have been thinking of ways to keep events going during this time and the first thing is that the 12 Car series will be continuing as normal. This is due to the fact that entry fees have been raised to £10 (the first time in decades) so that events will not make a loss and drain Group funds. All other motor sport events in the Centre are still planned to go ahead as normal, although the entry fees may go up slightly on the autotests. What we do need you to do though is to support all the events you can so that they are successful. They are good social meeting points as well as a bit of fun.

**Endurance Road Rally Championship** Well there will be an Enduro championship in 2006, but not the one mentioned previously. Seems the organisers couldn't get their act together and so another bunch of enthusiasts have put one together and will feature 8 events, with the best 6 to count. All events must have an entry fee of less than £250 and full details of the events have still to be released as I type this prior to Christmas.

Previous Events

**December 12 Car Rally** It was not as wet as it was the previous week, where 50ft long puddles were the norm, but it was very muddy and slippery. Eight crews took the start and the pub was very friendly with good food and plenty of space. When we returned there for the finish, we had the whole place to ourselves and we even had a proper use of the new licensing laws and we were able to have a good chinwag until closing time at midnight.

	Car 1	Jeze Jones / Gerry Cannon	NEL	Beg	2 Fails	17 Mins

**Lombard Revival Rally** This event was memorable for two things, firstly the snow & ice and secondly for the ridiculously tight road timing. Everyone had a tale to tell about incidents and accidents (see the NEL website for pictures) and amazingly all our competitors got to the finish. I'm sure an article will appear in a future newsletter.

Future Events

**Great Bustard Enduro** This event has been deferred until mid November.

**West Middlesex 12 Car** The event will start at Squirrels Bar, North Street, Cranbourne Chase, Berks, MR175/928730. The route will be about 45 miles, all on map 175 issue C1. The entry fee is now £10. Regs available from either myself or Jez Boakes on 07748 766409.

**Carpetbagger Rally** Entry list was full by mid December and there are lots of star names out trying for the coveted title of Bagger. The weather may play its hand again and anyway, it will be impossible to predict a winner.

**North West London 12 Car** The event will start and finish from the John Bunyan PH, Coleman Green, Wheathampstead, MR 166/189126. Regs available from either myself or Ted Manktelow on 01923 282130.
