

A very short issue to remind you what's going on in the early New Year.

West Middlesex Group
January 12-Car Rally
Friday 12th January 2007

It's nearly that time again

West Middlesex Group's 'January 12-Car Rallies' in '05 & '06 produced full entries, about half of which were in the Expert class, and in 2006 no less than 21 marshals signed up for the evening - an amazing effort all round!

Last January I think we got things about right, a good driving route and 'do-able' navigation, with one 'clean sheet' and just the odd minute separating the others. Pretty good!

More of the same is planned but over a much longer route than usual. There will be 10 Time Controls plus several Secret Check, manned PC's, GW's and most Marshal Teams will only be able to do one Control each, so we'll need more Marshals than ever. 18 pairs of people is what I'm hoping for and at the moment I've got five!

We'll be starting from the WMx Noggin' & Natter venue, the Jolly Woodman PH at Littlefield Green, nr:175 / 934³/₄ 864³/₄. The pub is staying open late especially for us and they will take food orders up until 11.30 and serve drinks until we leave !!!

Eight entries have already been confirmed for the rally and I'm confident of a full entry. I've booked a cold, dry night, so it should be fairly comfortable if you wrap up warm!

Thank you very much for your support on previous occasions, now please can you help us again in 2007?

Get in touch ASAP if you can – an e-mail response is fine but if you want to request a specific job give me a call.

Dawn Rampton

I am so very very sorry to have to advise West Middlesex Group members of some awful news.

On Thursday 28th of December Dawn Rampton passed away peacefully at home.

Of course all our thoughts at this dreadful time must be with Jeff to whom, on behalf of everyone in West Middlesex Group, I send our sincerest condolences and our deepest sympathy.

I am truly lost for words at this time and will try to write more next month.

Meanwhile, if you can, please say a prayer for Jeff.

We'll be planning a traditional Plot-n-Bash event for the Experts and Novices with a very easy marked-map alternative for the Beginners.

We hope you'll be able to compete of course but, if you can't do that then, PLEASE, PLEASE, PLEASE come out and Marshal! As usual, I've booked a cold, dry night & with a 70+ mile route we're going need a lot of Controls manned. Can you give us a hand please?

As I've said lots of times in the past, your support for West Middlesex on these occasions really does make a difference - it's always much appreciated, and it always shows!

Thank you very much for your support in 2006, welcome to the 2007 season.

csma West Middlesex Group presents:

The Barton Stacey Rally Practise Day

Sunday March 25th 2007

Following on from our successful Event of 2006, and courtesy of the British Army, West Middlesex Group has again been granted permission to run this most popular event again !

We'll be following a similar format to previous years and returning to the same Military venue but, with a little volunteer help from some of you, we hope to have a few newly 'repaired' roads for you to use.

Places are very limited and the Entry List is bound to fill up fast once news is out. So be quick and get your entry in ASAP !

It will be a full day's motorsport for just £75 and will be suitable for all road-legal cars. So you can bring along your rally car, your standard shopping car, and just about everything in between.

Interested but don't want to drive? Well, we'll need Marshals, and lots of 'em, on the Sunday!

Good with a shovel, banging in stakes or trimming trees?

I'd be **VERY** grateful if you could help us out too. If you're free for a few hours on Saturday 24th March and can support WMx Group by assisting in setting up the venue, please contact me.
